

Funny Faces

Ideal to make with your children. Great for snacks or a light meal.

Ingredients

For the base – any of
Rice cakes
Round oat cakes/biscuits
Sliced Cheese
Toast

For the Topping

Soft cream cheese or
Peanut butter (or any nut
butter)

For the face features – a selection of

Red pepper/yellow pepper
Carrots
Small tomatoes
Grapes
Slices of banana
Finely shredded lettuce
Cucumber
Raisins
Black Olives
Apple
Easy peeler satsumas
Kiwi
Berries
Optional – bit of lemon or lime

Equipment

Chopping Board
Sharp Knife
Knife for spreading
Peeler
Grater
Plates – it is easiest to make
these straight onto the
individual serving plate
Mug – Use a mug turned upside
down to cut around to make a
circle from a slice of cheese or
toast
Bowl of water – if you are
cutting pieces of apple to use,
keep them in a bowl of water,
ideally with a squeeze of lemon
or lime in it

Method

Let your children choose their
base from what you have available, and
then let them spread it with the topping.
Cheese bases do not really need the
topping.
Be careful – the oat biscuits are quite
fragile and may break during spreading.

Older children can cut and grate on their
own but toddlers will need you to
prepare a selection of options for them.

Eat soon after making so they don't dry
out, but encourage your children to help
clearing up first.

Ideas of leftovers

Put chopped fruit into a fruit salad for
supper
Use left over veg in our Anything and
Everything Soup.
Or refrigerate leftovers and use for
snack bowls the next day
